Summary

Detail-oriented and motivated B.Tech IT student at KIIT Bhubaneswar with hands-on experience in Machine Learning, IoT Systems and Data Structures. Passionate about creating efficient, data-driven, and scalable solutions that merge AI, embedded technology, and web systems.

Education

Kalinga Institute of Industrial Technology (KIIT), Bhubaneswar, Odisha

Bachelor of Technology in Information Technology

Expected May 2026

7th Semester CPI: 8.11

Lal Bahadur Shastri Public School, Kota

12th Grade, CBSE

2022

Percentage: 79.4%

GMR DAV Varalakshmi Public School, Dhenkanal

10th Grade, CBSE

2020

Percentage: 90%

Fields of Interest

Machine Learning, IoT Systems, Embedded Systems, Blockchain Development, Human-Computer Interaction, Data Analysis, Web Designing

Technical Skills

Programming Languages: Python, Java, C, HTML/CSS

Frameworks/Libraries: TensorFlow, Scikit-learn

Tools: Git, Microsoft Office, Power BI, Arduino, L^AT_EX, VS Code

Databases: MySQL

Platforms: ESP32, Spotify API

Projects / Open-Source

Movie Recommendation System (Completed): *Python, Scikit-learn, NumPy, HTML*

- Built a collaborative filtering engine to generate personalized movie suggestions.
- Processed large datasets and designed a simple web UI for user input and recommendations.

IoT Smart Alarm Clock (Completed): *ESP32-C3, OLED, NTP, RTC, Buzzer, NeoPixel, Rotary Encoder*

- Developed a smart alarm clock using ESP32-C3 with time sync via NTP and DS1307 RTC.
- Integrated buzzer alerts, rotary encoder controls, and motion sensors for user interaction.
- Added NeoPixel LED animations and OLED display for enhanced UI feedback.

ISL Hand Gesture Recognition Using Random Forest (Completed): *Python, Scikit-learn, NumPy, Pandas*

- Processed ISL hand gesture datasets in CSV format with landmark and movement data.
- Trained a Random Forest model to classify Indian Sign Language gestures accurately.

Strengths

- Quick learner with strong analytical and problem-solving abilities.
- Proactive and adaptable, eager to learn emerging technologies.

Hobbies

Reading books, Watching movies, Learning new things, Building and innovating, Listening to stories and podcasts
